

WALKYRIEN

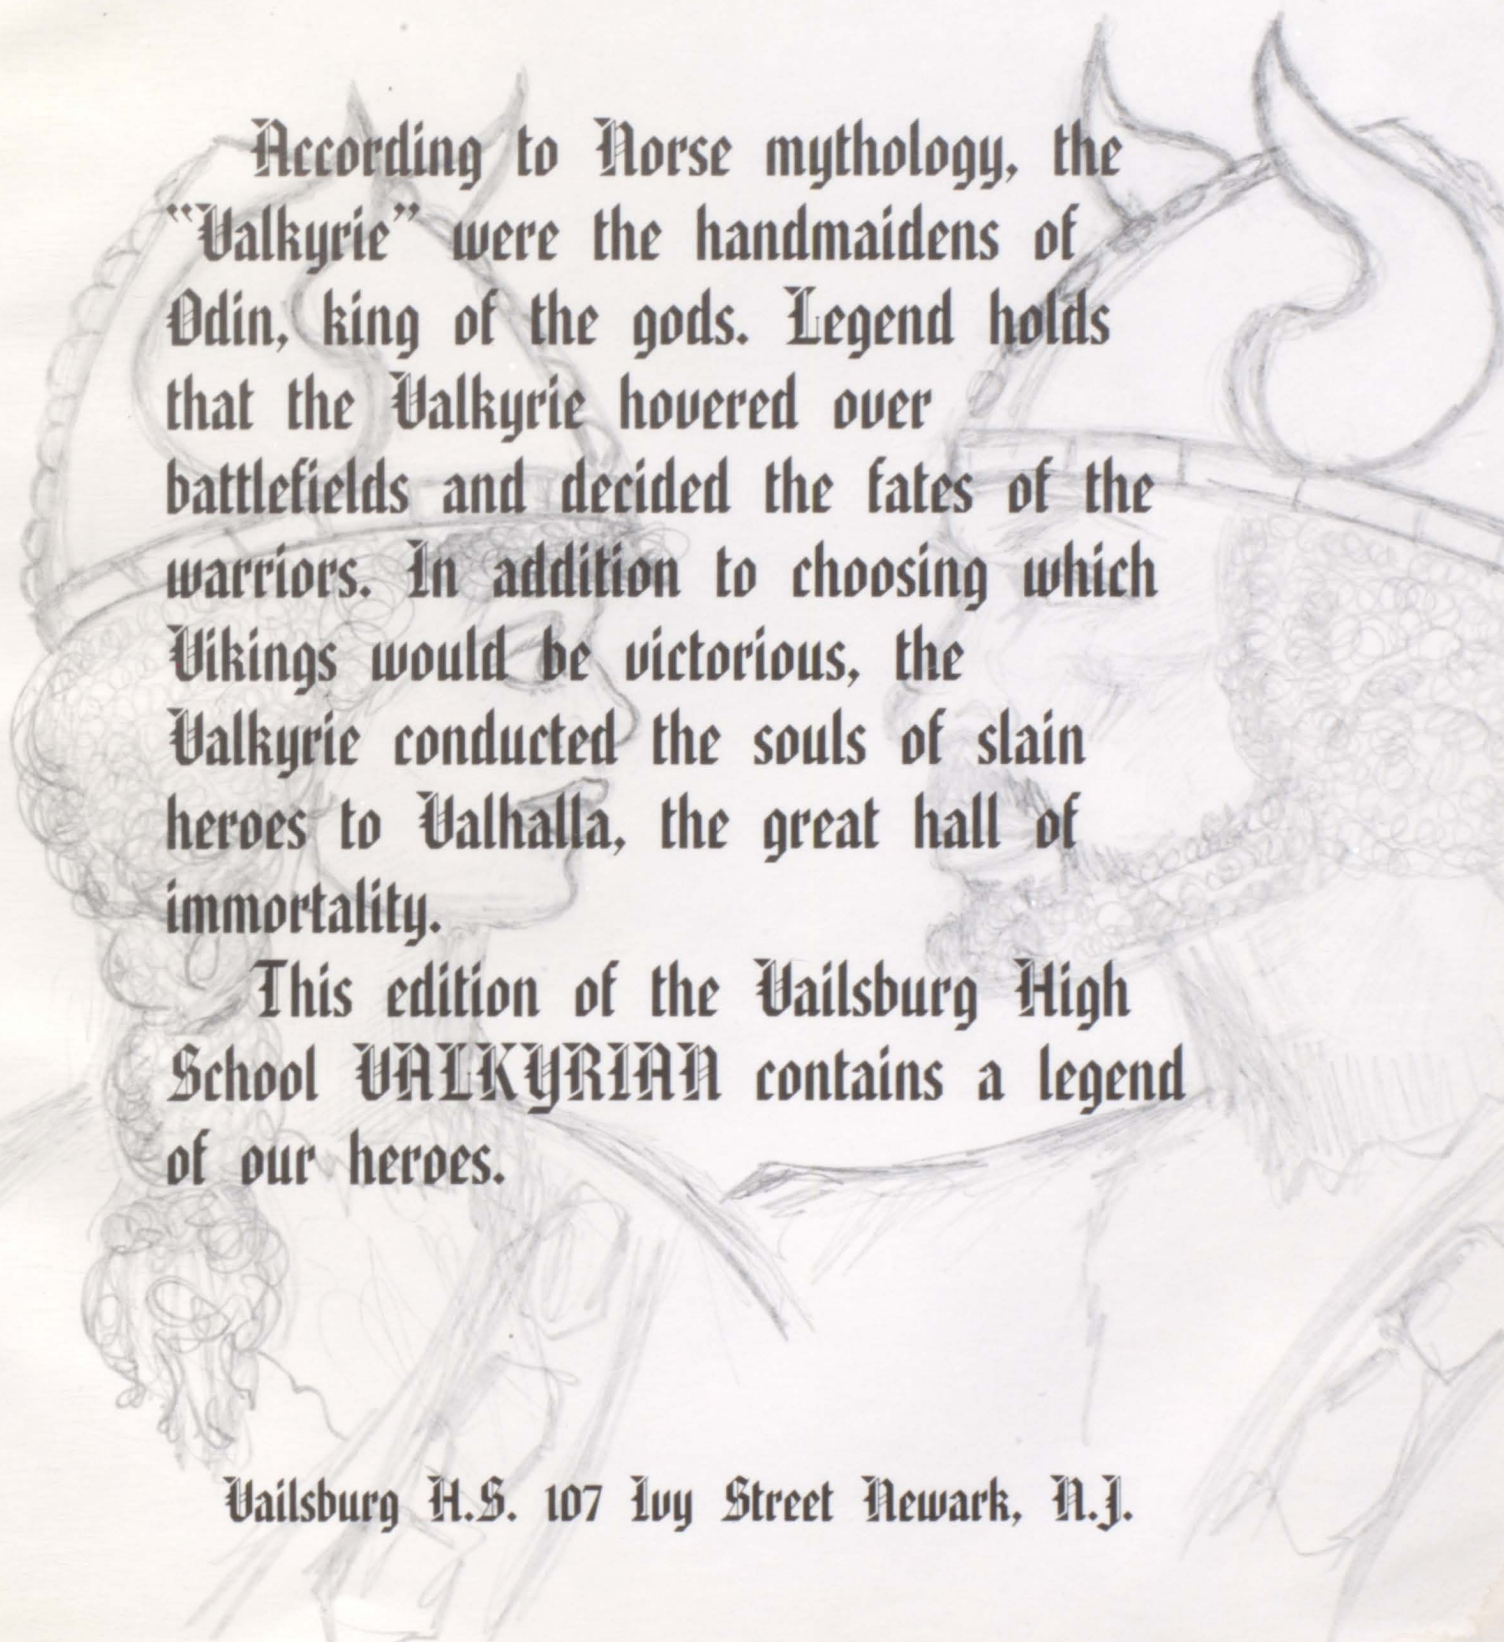

83

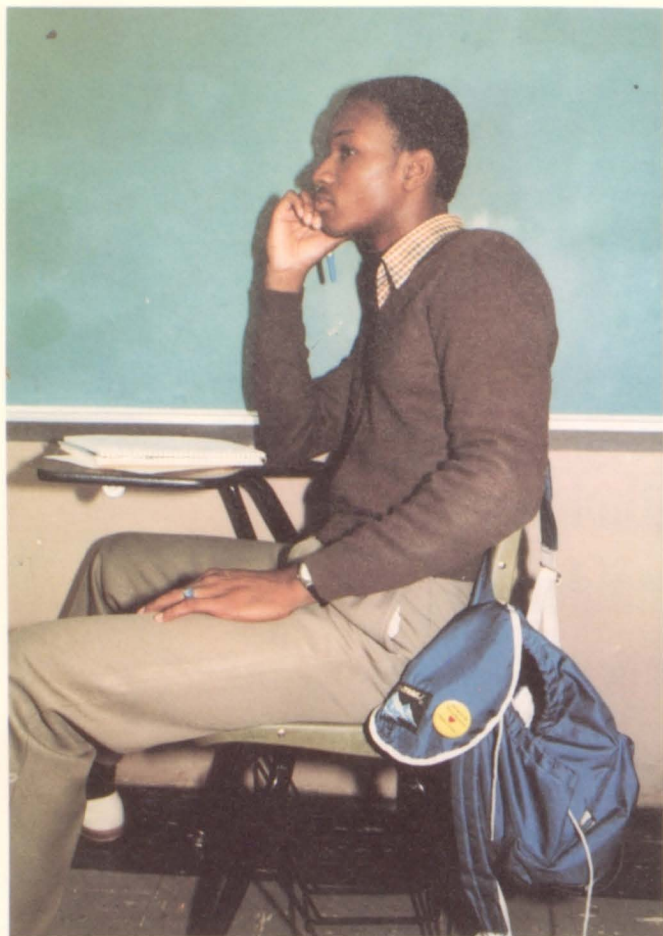

VALKYRIAN 1983

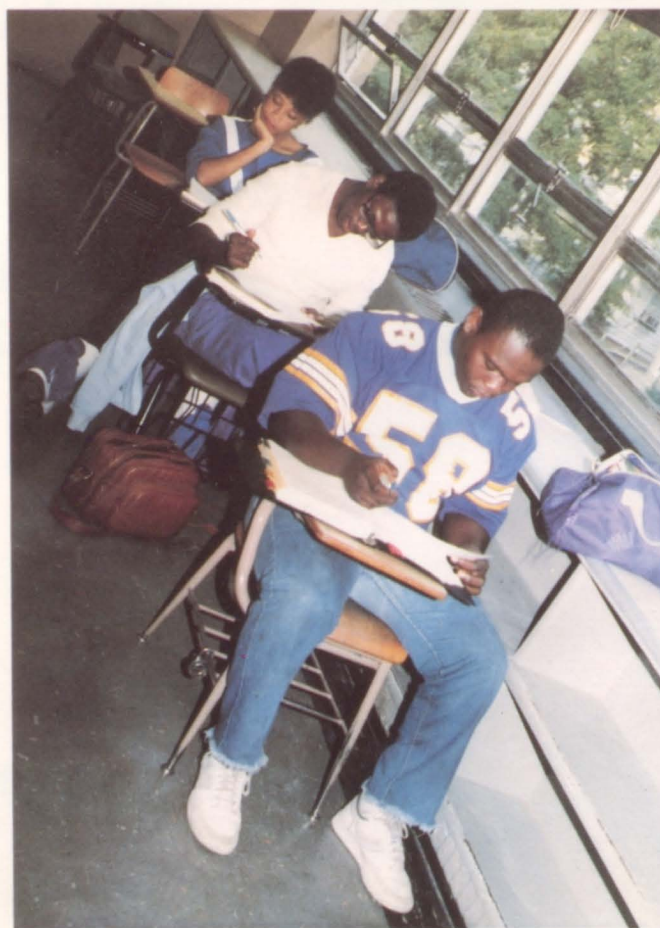

According to Norse mythology, the "Valkyrie" were the handmaidens of Odin, king of the gods. Legend holds that the Valkyrie hovered over battlefields and decided the fates of the warriors. In addition to choosing which Vikings would be victorious, the Valkyrie conducted the souls of slain heroes to Valhalla, the great hall of immortality.

This edition of the Vailsburg High School VALKYRIAN contains a legend of our heroes.

Perhaps one of our most important areas of study is the English language. Terms such as vocabulary, vernacular, syntax, research, biography, bibliography, term paper, footnote, compare, contrast, analogy, paradox, irony, concise, comprehension, composition and essay evolve from the foreign to the familiar.

"You've got problems . . . "

"Some day we'll be great"

"Sixty cents!!!"

"I'm watching you!"

"I'm being constructive"

"And to think I missed my stories for this!"

"Amazing"

Ellie Winslow, skin care specialist

Beauty is more than skin deep

*"I **know** I look good"*

Even the underclassmen were photographed this year.

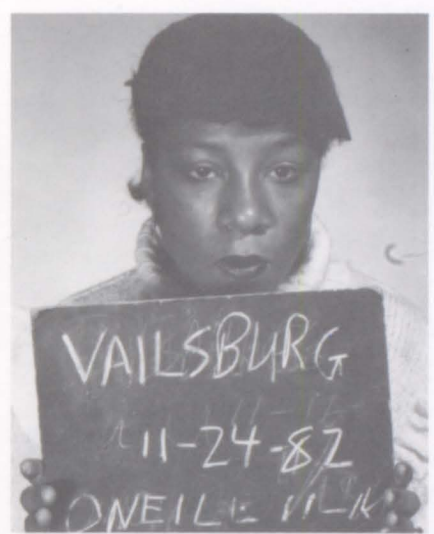

"Smile? Pretty please???"

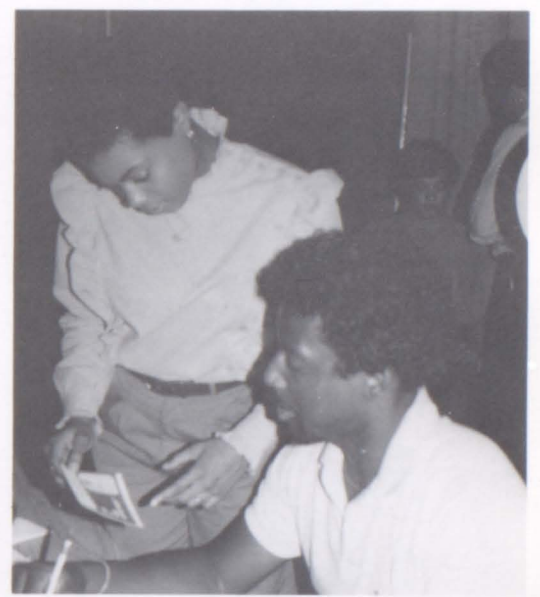

DELMA DEFINITELY MADE A DIFFERENCE

"Put your finger right there."

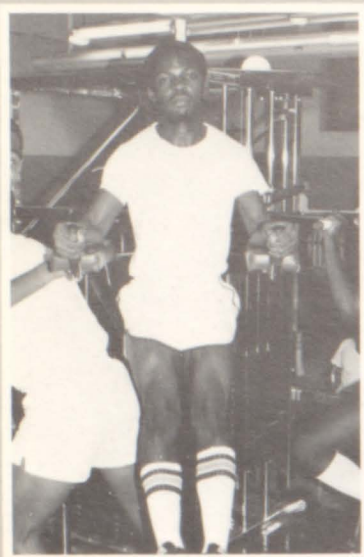

"Hold this please?"

No matter you view, Viking women are gorgeous.

"Tilt your head a little more, please?"

LET'S GET PHYSICAL!!!

Let me hear

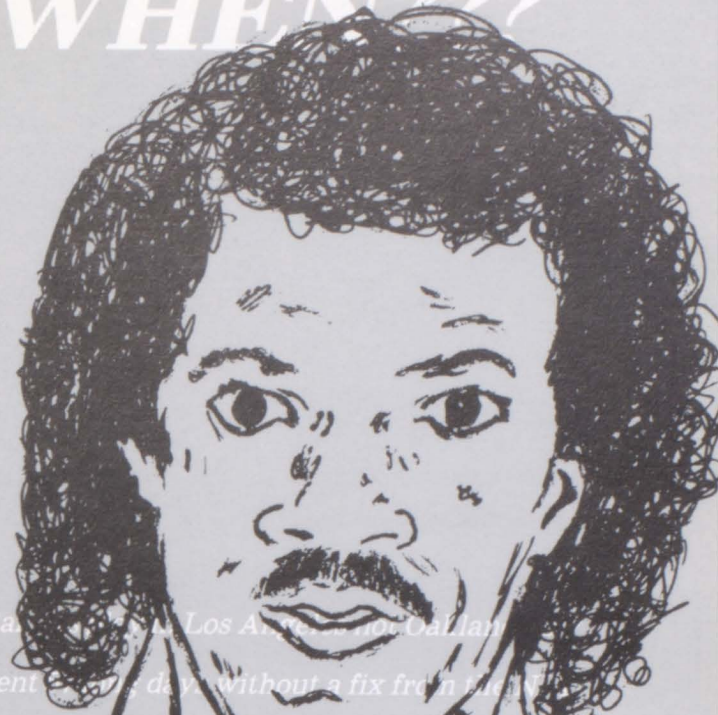

your body talk

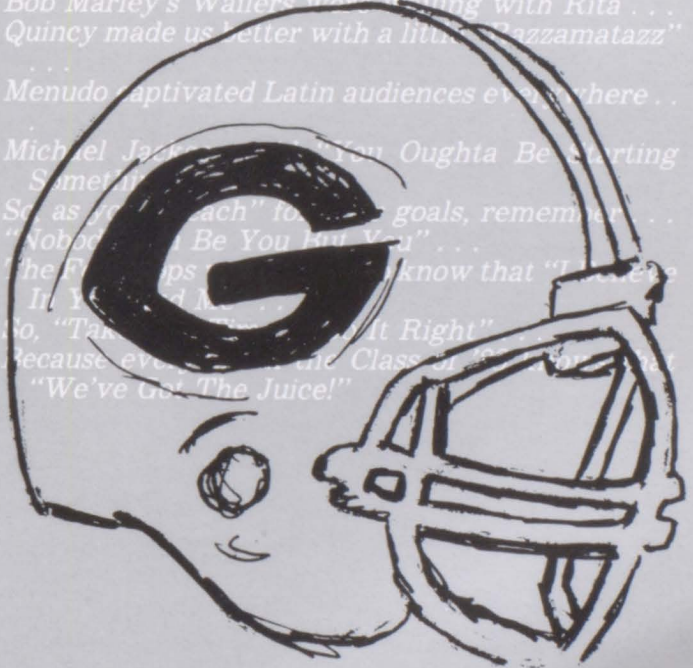

REMEMBER WHEN???

Gas prices dipped a little . . .
 Barney Clark received an artificial heart . . .
 E.T. finally phoned home . . .
 Things became "smurfy" as little blue creatures captured our imagination . . .
 Pac Man fever gobbled our pocket-money at video arcades . . .
 Ms. Pac Man was more than Pac Man with a bow . . .
 Those imaginary creatures inspired three new dance steps . . . Can you still do them?
 American cars became more compact due to foreign competition . . .
 X, K, and E symbolized several types of cars rather than just one model . . .
 Ford's better idea may be a lifetime warranty . . . Can you **imagine**?
 Meanwhile, John DeLorean was arrested on a drug charge as he tried to make things go better with coke . . .
 The world mourned the loss of Princess Grace, Henry Fonda, Paul Newman and Eubie Blake . . .
 We were still struggling to make January 15th a national holiday . . . "Happy Birthday To Ya!"
 Beirut, Lebanon became a hot defense for Israel and the UNO . . .
 A lackadaisical Sharon allowed it to become a graveyard for a holocaust of different color . . .
 Yasser Arafat surrendered and the UNO was dispersed . . .
 More than a decade on greed and deception fermented an oil glut . . . Crude prices plunged, the Shocks were shaken and so were many large American banks.
 Mayor Gibson and Councilman Harris were in a runoff after being indicted and then acquitted . . .
 More money was spent on the trial than was paid to Bontempo for his alleged "no show" job . . .
 Guess who paid the higher water bills???
 Extra-Strength **© BALLY MIDWAY MFG. CO.** the nation and FDA into tamper-proof packaging . . .
 We only hope that the feeble fingers of the arthritic elderly can open the new-fangled contraptions . . .
 Holmes had to knock Conney for a loop before he could get some respect . . .
 Sugar Ray Leonard retired because of an eye injury . . .
 Few fancier footsteps and flashier fists ever flew from a finer fighter . . . We'll miss his maneuvers . . .

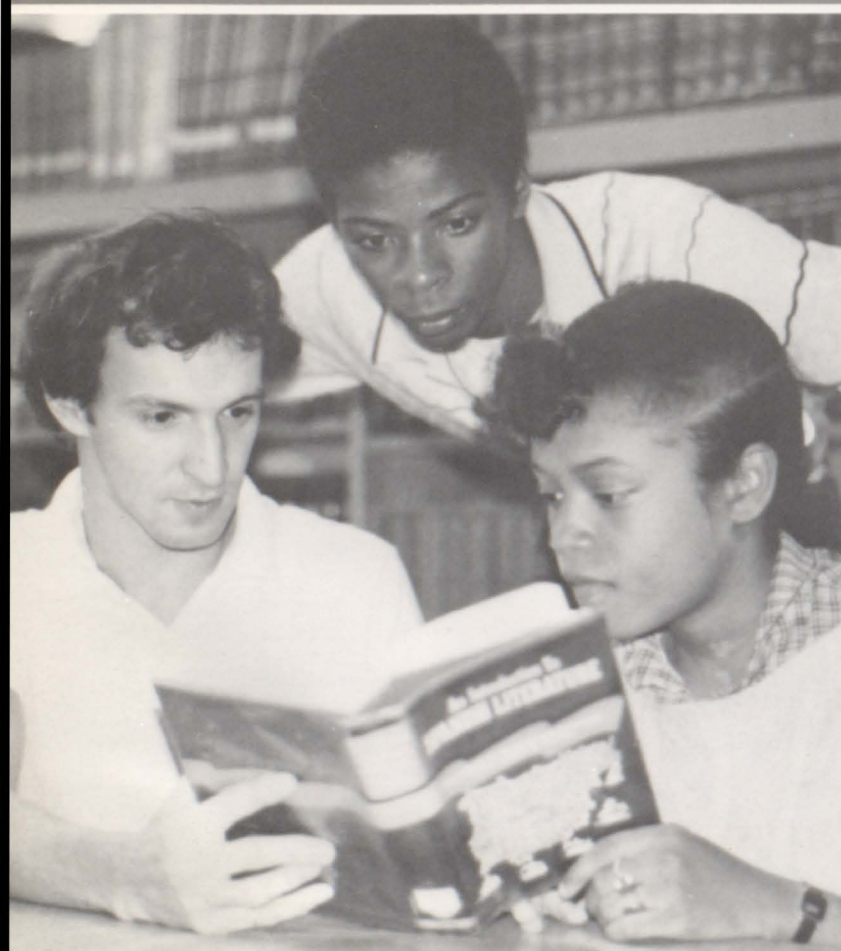

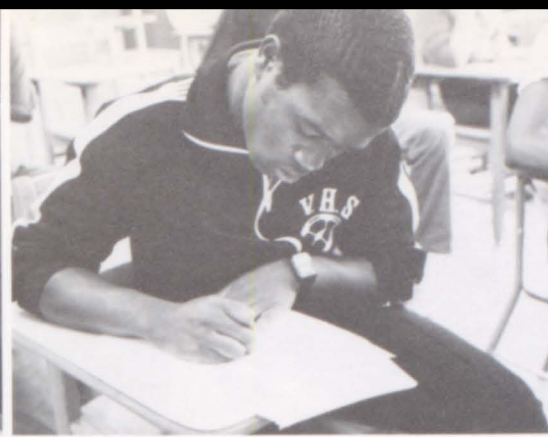

The Rams from Los Angeles got O.J. . . .
 We went . . . day without a fix from the West . . .
 Meanwhile, as if we couldn't get enough, General Herschel Walker signed on with the NFL . . .
 'Bama's Bear dies and gridiron fans grieved . . .
 Joe Theisman (that rhymes with the Heisman) that Walker deserved the years in a row and a band of "Smurf" and "Hogs" from the "Fun Bunch" in a Super Bowl victory over the Dolphins . . .
 Karen Carpenter slipped away from us . . .
 Marvin Gaye added some "Sexual Healing", and Sang (with a capital "S") the National Anthem at Dr. J's All-Star Game . . .
 Lionel Richie is "Truly" the star of the Commodores . . .
 Those "Nasty Girls" were too nasty . . .
 Luther Vandross knew when "A House is Not a Home" . . .
 Bob Marley's Wailers were sailing with Rita . . .
 Quincy made us better with a little "Razzmatazz" . . .
 Menudo captivated Latin audiences everywhere . . .
 Michael Jackson . . . You Oughta Be Starting Sometime . . .
 So as you reach for your goals, remember . . .
 "Nobody's Perfect Be You but You" . . .
 The Football . . . know that "I Love You" . . .
 In Your . . . "It Right" . . .

To An Athlete Dying Young

*The time you won your town the race
We chaired you through the marketplace
Man and boy stood cheering by,
And home we brought you shoulder-high.*

*Today, the road all runners come,
Shoulder-high we bring you home,
And set you at your threshold down,
Townsmen of a stiller town.*

*Smart lad, to slip betimes away
From fields where glory does not stay,
And early though the laurel grows,
It withers quicker than the rose.*

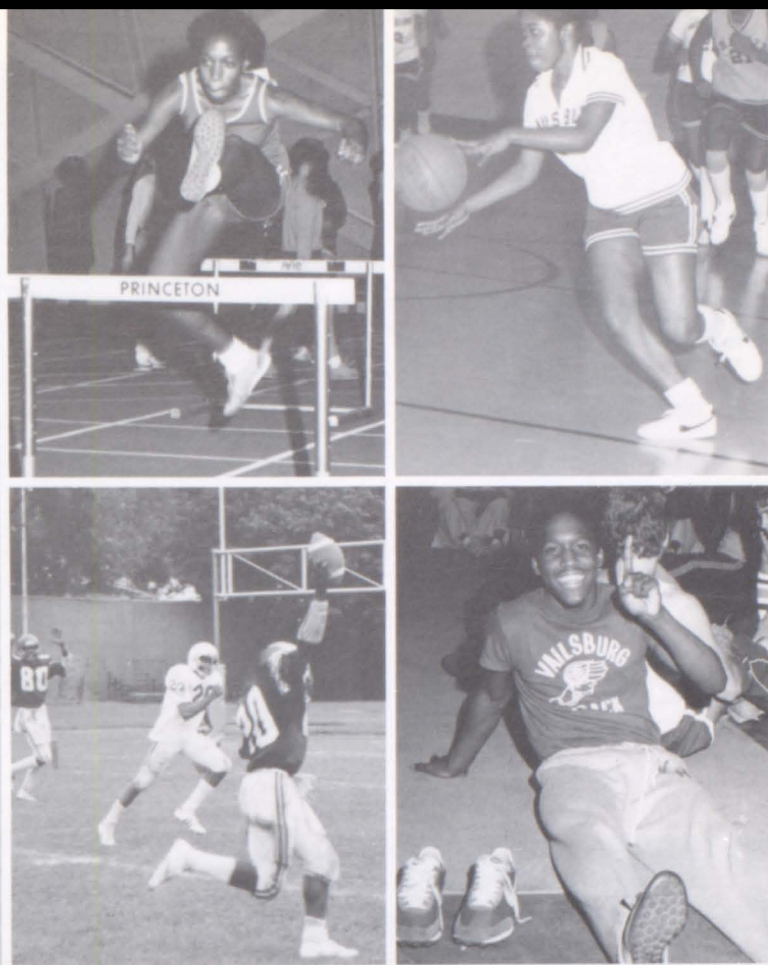

*Eyes the shady night has shut
Cannot see the record cut,
And silence sounds no worse than cheers
After earth has stopped the ears:*

*Now you will not swell the rout
Of lads that wore their honors out,
Runners whom renown outran
And the name died before the man.*

*So set, before its echoes fade,
The fleet foot on the sill of shade,
And hold on to the low lintel up
The still-defended challenge-cup.*

*And round that early-laureled head
Will flock to gaze the strengthless dead,
And find unwithered on its curls
The garland briefer than a girl's.*

WINNERS AND LOSERS

*Winners are always a part of the answer
Losers are always a part of the problem*

*A winner always has a program
A loser always has an excuse*

*A winner sees a green near every sand trap
A loser sees two or three sand traps near
every green*

*A winner says, "Let me do it for you"
A loser says, "That's not my job"*

*A winner sees an answer for every problem
A loser sees a problem in every answer*

*A winner will say, "It's difficult but it's
possible
A loser mumbles, "It may be possible but it's
too difficult*

*Winners are always a part of the answer
Losers are always a part of the problem*

Wrestling is a sport which requires tireless dedication. Contrary to popular opinion, although strength is important, the best wrestlers use a series of moves and counter-moves as well as quickness to beat an opponent. Coach Ryan and the entire Vailsburg H.S. community were fortunate enough to have witnessed the talented Lynn Kennedy. Perhaps, Vailsburg's Athlete of the Year, Lynn totally dominated the Newark City League, lead us to a Christmas Tourney Championship in Nutley and rose to the level of stardom that most people would be content with merely dreaming about.

Lynn Kennedy

Lynn is the first basketball player, male or female, in Newark history to score more than 2,000 points in a high school career. She is also the only girl in Essex County with such an accomplishment. Kelly Tripucka, now with the Detroit Pistons of the NBA, is one of the select few males to have achieved such scholastic scoring statistics. Furthermore, she is a beautiful person as well.

Theresa Pettus

With Lynn's departure, Coach Ryan will have a tremendous offensive vacuum to fill. No worry Folks! Cheryl Curley and Jackie Deloach will fill the void quicker than Mr. Hooper can press the point button on the scoreboard. Of course, we will miss Lynn's cool, calm, collected and consistant temperament and point production. Good Luck, Lynn. Take heart Vin . . . The Lady Vikes will continue to win.

Music is reflective of the harmony which can be found in the human spirit. The human voice is our primary instrument. DO YOU JUST BELONG?

Are you an active senior . . . the kind that would be missed?
Or are you just contented, 'cause your name is on the list?

Are you the type of senior who mingles with Slappy's flock?
Or do you just come to school to criticize and knock?

Do you attend the meetings to help the work load along?
Or are you just satisfied to know that you belong?

Are you an active senior, who'll get right in and mix?
Or do you just come to school to talk about the cliques?

Are you an active senior . . . the type that success adore?
Or do you sit in class and repeat "It's a bore"?

Are you the type of senior who does everything on time?
Or are you one of those whose always left behind?

Tell me, senior, do you criticize your school for what they do not do?
Yet, when they give something, you always count out you.

Think this over senior . . . You know right from wrong!
Are you an active senior. or DO YOU JUST BELONG?
